On January 19, 2017 Avaya Holdings, Avaya, and certain of its subsidiaries (the “Debtors”), filed voluntary petitions for relief under title 11 of the U.S. Code in the U.S. Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”) for the case number 17-10089 (SMB). On November 28, 2017, the Bankruptcy Court confirmed the Debtors’ Second Amended Joint Plan of Reorganization filed on October 31, 2017 (the “Plan of Reorganization”), and the Debtors subsequently emerged from bankruptcy on the Emergence Date. Unless otherwise described herein, capitalized terms are defined as used in the Plan of Reorganization or in the related amended disclosure statement for the First Amended Joint Chapter 11 Plan of Reorganization of Avaya and its Debtor Affiliates filed on September 8, 2017, (the “Amended Disclosure Statement”) or the disclosure statement supplement filed on October 31, 2017 (the “Disclosure Statement Supplement”).

In connection with the Debtors’ emergence from bankruptcy, Avaya Holdings contributed New Avaya Holdings Common Stock and Warrants to Avaya. On the Emergence Date, Avaya transferred (i) a portion of such New Avaya Holdings Common Stock and all of the Warrants to Holders of Allowed Claims with respect to the 10.50% second lien notes due March 1, 2021 (such notes, the “Second Lien Notes” and such Holders that are the beneficial owners for U.S. federal tax purposes (as applicable) of such Allowed Claims with respect to the Second Lien Notes, the “Second Lien Debtholders”) and (ii) a portion of such New Avaya Holdings Common Stock and cash to Holders of Allowed Claims with respect to the 7.00% Senior Secured Notes due 2019, the 9.00% Senior Secured Notes due 2019 and indebtedness under the Cash Flow Credit Facility (such notes and indebtedness, the “First Lien Debt” and such Holders that are the beneficial owners for U.S. federal tax purposes (as applicable) of such Allowed Claims with respect to the First Lien Debt, the “First Lien Debtholders”), in each case, in exchange for such Holders’ cancellation and forgiveness of claims. Concurrently, all of the Old Avaya Holdings Interests were cancelled and extinguished and the holders of the Old Avaya Holdings Interests on the Emergence Date received no consideration in respect of the interests held by them in Avaya Holdings. The events that occurred on the Emergence Date pursuant to the Plan of Reorganization are cumulatively referred to herein as the “Transaction.” The following describes the exchange of consideration between Avaya and certain Holders of Allowed Claims in full and final satisfaction, settlement, release and discharge of, and in exchange for such Holders’ Allowed Claims as well as the treatment of Allowed General Unsecured Creditors (as defined below).

Treatment of First Lien Debtholders

On the Emergence Date, pursuant to the Plan of Reorganization, each First Lien Debtholder received in full and final satisfaction, settlement, release and discharge of, and in exchange for its Allowed Claim their pro rata share of 99,344,137 shares of New Avaya Holdings Common Stock and their pro rata share of approximately \$2,007,000,000 of cash (the aggregate amount of such shares and cash, the “First Lien Debtholders Recovery Amount”). The First Lien Debtholders may also receive their pro rata share of additional amounts of New Avaya Holdings Common Stock and/or cash depending on the amounts that are distributed to holders of Allowed General Unsecured Claims (as defined below) as described below. The following lists the specific amounts of consideration received in respect of each type of First Lien Debt. The actual fair

market value of New Avaya Holdings Common Stock distributed to First Lien Debtholders in the Transaction and pursuant to the Plan of Reorganization may differ from the expected value of such stock on the Emergence Date based on the Plan of Reorganization. First Lien Debtholders that received New Avaya Holdings Common Stock in the Transaction should consult their tax advisors to determine the appropriate value of the New Avaya Holdings Common Stock and the tax consequences of the receipt of such stock to the Holder.

Certain Holders of General Unsecured Claims elected to receive shares of New Avaya Holdings Common Stock in lieu of receiving their pro rata share of \$57,500,000 of cash from the General Unsecured Recovery Cash Pool, and 205,863 shares of New Avaya Holdings Common Stock were reserved for this purpose. To the extent such New Avaya Holdings Common Stock is not distributed to Allowed General Unsecured Creditors in accordance with the Plan, it will be distributed, on a dollar-for-dollar, pro rata basis, to First Lien Debtholders, along with such holders’ pro rata share of any cash that would have otherwise been distributed to the Allowed General Unsecured Creditors who elected to receive stock.
